HEALTH**

It's that time of the year again to head over to the cinemas for a classic ChIPS movie night. The movie night is fun for all. The movie on offer is the fifth Harry Potter movie, one which can be enjoyed with family or friends. ChIPS is a peer support program for children with chronic illness'. ChIPS events are an opportunity for sick children and their friends and family to get together and enjoy a night without the pressure of being ill. Participation in a ChIPS event gives back to a large community of children with chronic illness, an area which needs more recognition.

When: Friday 13th, July.

Where: Melbourne Central, Hoyt's Cinemas, Level 3, Cnr Latrobe and Swanston Streets.

Time: Arrive at 5:45pm for a 6:15pm viewing.

Cost: \$15 pp, which includes the cost of your ticket , prizes and giveaways.

RSVP: By the 5th of July

Theme: Dress up if you dare! In your Harry Potter flair!

* Car parking is available at Melbourne Central and surrounding areas, there is also great public transport access.
