

## Research Symposium

# “ADHD: Taking the Next Step”

## Tuesday 15<sup>th</sup> November 2005

### Visit of Professor Eric Taylor

Professor Eric Taylor is the Head of the Department of Child and Adolescent Psychiatry, Institute of Psychiatry, King's College London. He is recognized as a leading clinician and researcher in the field of child psychiatry over the past 30 years. He is co-editor with Professor Michael Rutter of the definitive textbook - *Child and Adolescent Psychiatry* – and a world leader in the contemporary assessment and treatment of hyperactivity in children.
