

## Apheresis Div. 1 Training Record

This is a training record of recommended Apheresis Documents developed as a check list for tuition of Apheresis Nursing staff for Haemopoietic Progenitor Cell collection. This checklist should be completed in addition to specific Competency Packages and training / revisions for the HSCT Programme as appropriate. All continuing education is recorded on QS-F-001, completion of HSCT Programme training and revisions are recorded on QS-F-005. A summary of performed procedures "as training" is recorded on AP-F-002. It is the responsibility of the trainee to maintain and complete all training records, AP-F-001, AP-F-002, QS-F-001 and QS-F-005 according to Staff Training and Assessment procedure, QS-P-005 and Apheresis Training and Assessment Procedure, AP-P-003.
