

## Continuing Education Attendance Record

This is a record of any continuing education presentations which are attended by staff associated with the Haemopoietic Stem Cell Transplant (HSCT) Programme of the Children's Cancer Centre at The Royal Children's Hospital. It may be used to assess competency and proficiency in a given area of expertise. It is the responsibility of each staff member (attendee) to complete, copy and file the record for future reference and assessment at staff appraisal. The original completed record shall be filed by the Manager of the respective area that hosted the presentation.
