

SCOUT STUDY REPLY SLIP

1. I would like to hear more about the SCOUT study:

- YES** Ticking 'yes' means that I am happy for my contact details to be passed on to SCOUT. It doesn't mean that I am agreeing to join SCOUT. It means I am happy to be contacted by a researcher so they can tell me more about SCOUT.
- NO** Ticking 'no' means that I have decided that my child won't take part in SCOUT, and that I don't want to be contacted further about SCOUT.

If you ticked 'NO', please tick one of the boxes below:

- I'm happy for NAL to give SCOUT summary information about my child (for example, hearing level, gender, and postcode). I understand that:
- The research team won't be able to identify me or my child from this information.
 - This information will only be used to understand group differences between children in SCOUT and those not in SCOUT.
- I would not like any information about my child to be passed on to the SCOUT team.
