

Festival for Healthy Living Guidelines for Professional Learning

This seven-part guide is a resource to support teachers, artists and mental health professionals to implement the Professional Learning Program of the Festival for Healthy Living. The Guidelines describe the process for implementing professional learning as part of a mental health promoting performing and visual arts program, and provide the resources to support whole school community improvement. The guide comes with a DVD containing resources for use by schools and their communities. It is available for purchase now. Cost is \$75 each, inclusive of GST and Postage & Handling. To order copies of the guide, complete the form below and forward with payment.
