**REGISTRAR IN
INPATIENT CHILD & ADOLESCENT PSYCHIATRY**

**AUG 3rd 2009 – 3rd AUG 2010
6 - 12 MONTH POSITION
PART TIME 3 days / week**

The Royal Children's Hospital Integrated Mental Health Service provides specialist child and adolescent psychiatry services for the Western Metropolitan Region. In addition it provides a Specialist Consultation & Liaison Service for the Royal Children's Hospital at Parkville. There are strong links with Paediatrics, the Centre for Adolescent Health, and the Infant Mental Health Programme.

This position would suit a clinician such as a pediatric or general practitioner trainee, or psychiatry trainee who required an experience in Child and Adolescent Psychiatry but who wanted to work part time.

The position offers an excellent opportunity for experience in the psychiatric disorders of adolescents. The current training programme provides comprehensive teaching in Child & Adolescent Psychiatry, including experience in family therapy, psychological treatments and training in assessment and diagnostic formulation. There is also a regular journal and case presentation seminar, as well as.

These positions provide an excellent opportunity for training in Child & Adolescent Psychiatry in a well-supervised and well-supported environment, and would be suitable for Registrars in Adult Psychiatry, Paediatricians or General Practitioners in Training or a medical officer with an interest in psychiatry.

The position is paid at award rates dependent on experience. There is infrequent on call paid at award rates.
