

Additional learning opportunities for JRMOs at RCH

There are many clinicians willing to help you learn about their area of work. This list identifies only a few. Email individuals to sort out times that suit for you to spend time in their clinic/program.

J Gough

CCCH Outpatient Clinics: Email Jill Sewell and/or Daryl Efron re: behaviour, unsettled babies, intercountry adoption

Sleep Clinic: Ext 5466 (Margot Davey)

Paediatric Consultations
