Values in Action

Nominate those who put our values into action at www.rch.org.au/recognition

ERIC 080373/April/2008

The Royal Children's Hospital strength lies in our staff. We recognise our staff in various ways such as long service awards, annual hospital awards, Christmas and winter-end celebrations.

Values in Action will complement these annual staff recognition events and acknowledge the contribution of our staff all year.

Values in Action focuses on the RCH values and encourages all of us to identify and nominate individuals and teams who put these values into action.

Our values

Unity	We work together to achieve our goals
Passion	We are passionately committed to caring for sick children and improving children's health
Integrity	We act with honesty in all we do
Excellence	We strive for the highest quality in every aspect of our work
Respect	For everyone in our care and for each other

What's it all about

These awards are in addition to the hospital awards which are presented each year at the annual general meeting.

Values in Action

- recognises our colleagues who demonstrate the RCH values everyday
- fosters the RCH values in our staff and hospital community
- celebrates and promotes a culture of achievement.

All employees and RCH volunteers are encouraged to participate in the Values in Action recognition program.

The form of recognition will be tailored to suit the recipient. Choices may range from morning tea within their department or with the executive team to movie tickets.

Everyone who is nominated will be congratulated on the staff recognition intranet page.

How does it work?

You can nominate a colleague including volunteers online or send a hardcopy nomination form to a member of the review committee (listed on the back of this brochure).

You may nominate a team that exhibits values in action.

You may nominate anyone in the hospital, not just from your own department.

Awards are presented quarterly. Nominations close at the end of February, May, August, November.

The review committee will respond to let you know your nomination has been received.

Award recipients will be announced at the staff forum and acknowledged in KidsTalk and on the staff recognition website.

A nomination form is available at the end of this brochure, or on the intranet at **www.rch.org.au/recognition**

You can read examples of values in action on the intranet at **www.rch.org.au/recognition** or contact a member of the review committee for advice.
