

# RCH – Procurement Activity Plan 2026/2027

## Procurement Activity Plan 2026-2027

The Royal Children's Hospital (RCH) Procurement Activity Plan provides potential suppliers with an indication of likely procurement activities over the next 12 to 18 months. RCH aims to work with suppliers through a fair, open and transparent sourcing process looking for solutions that are innovative, effective and ensure value for money.

The information in this plan is provided for planning purposes only and all procurement activity is subject to revision or cancellation. For further details contact the Procurement Department at [procurement@rch.org.au](mailto:procurement@rch.org.au).
