Patient Agreement to pay costs of Genetic Testing

- Your doctor has requested genetic testing to assist in diagnosis and/or treatment.
- The cost of testing is not covered by Medicare and will result in an out-of-pocket expense.
- Due to the high cost of testing we require an agreement from you to pay these costs, and ask you to provide credit card details for payment prior to testing.
- The details below are an indicative cost of testing.
- Please note that the final cost of testing will depend on the final invoice received from the testing laboratory and the exchange rate at the time (for overseas testing). Any credit adjustment will occur when the final invoice is received.

Test cost	
DNA extraction	
Handling and shipping costs	*for overseas tests*
TOTAL EXPECTED TEST COST	

I accept and agree to pay the above costs.
