# VENUE LIST OF ALTERNATIVE ACCOMMODATION

Ronald McDonald Houses are located within footsteps of hospitals across Australia. Our Houses provide a homely and inviting place to stay for parents, guardians, carers and their siblings while their child is undergoing treatment in a nearby hospital. Part of what makes our Houses unique is that families are able to benefit from the compassionate support of our volunteers and staff, and the companionship of other families who are navigating a similar journey.

**Should you choose to stay elsewhere, this list offers some alternative accommodations in close proximity to the Royal Melbourne Children's Hospital for your information only and does not come under the administration guidelines of Ronald McDonald House.** Information is correct at the time of printing to the best of our abilities.
