

Workplace Giving

AT THE ROYAL CHILDREN'S HOSPITAL

As an employee of The Royal Children's Hospital (RCH) you have the unique opportunity to support and contribute to the hospital, your career and the care of the patients and families through Workplace Giving.

Workplace Giving donations are made through regular pre-tax payroll deductions, so there's no need for a tax receipt. Just nominate your preferred donation amount and frequency via the form on the following page and you're ready to go.

By making these regular payroll donations, you'll receive the tax benefit immediately, lowering your taxable income as you help the hospital.

Where will your Workplace Giving donations go?

All donations for the hospital are made to the RCH Foundation, which is the charity arm of the hospital. The RCH Foundation raises and distributes money to the RCH so it can:

- Purchase the latest equipment and technology to improve the care given to children
- Undertake ground breaking research projects to pioneer new diagnoses, treatments and cures for childhood illness
- Offer support services like play and music therapy to ease the anxiety and discomfort felt by patients
- Provide training and education so clinicians can stay at the forefront of paediatric healthcare

To become a workplace giver, simply complete the authorisation form and submit to People and Culture.
