THE FIRST 1000 DAYS...

OPTIMAL DEVELOPMENT in the FIRST 1000 DAYS supports lifelong health, wellbeing & opportunity.

Thriving children & supportive communities = a better future for all.

Children need...

- Opportunities to learn through play
- Green spaces
- Nutritious food
- Safe communities
- Toxin-free environments
- Loving, responsive relationships
- Secure housing

Critical development happens from conception to 2 years - the first 1000 days.

Children's brains & bodies are shaped by early experiences & environments.

Everyone can contribute to raising healthy, resilient children.
