

**Putting armor on to help  
protect yourself**

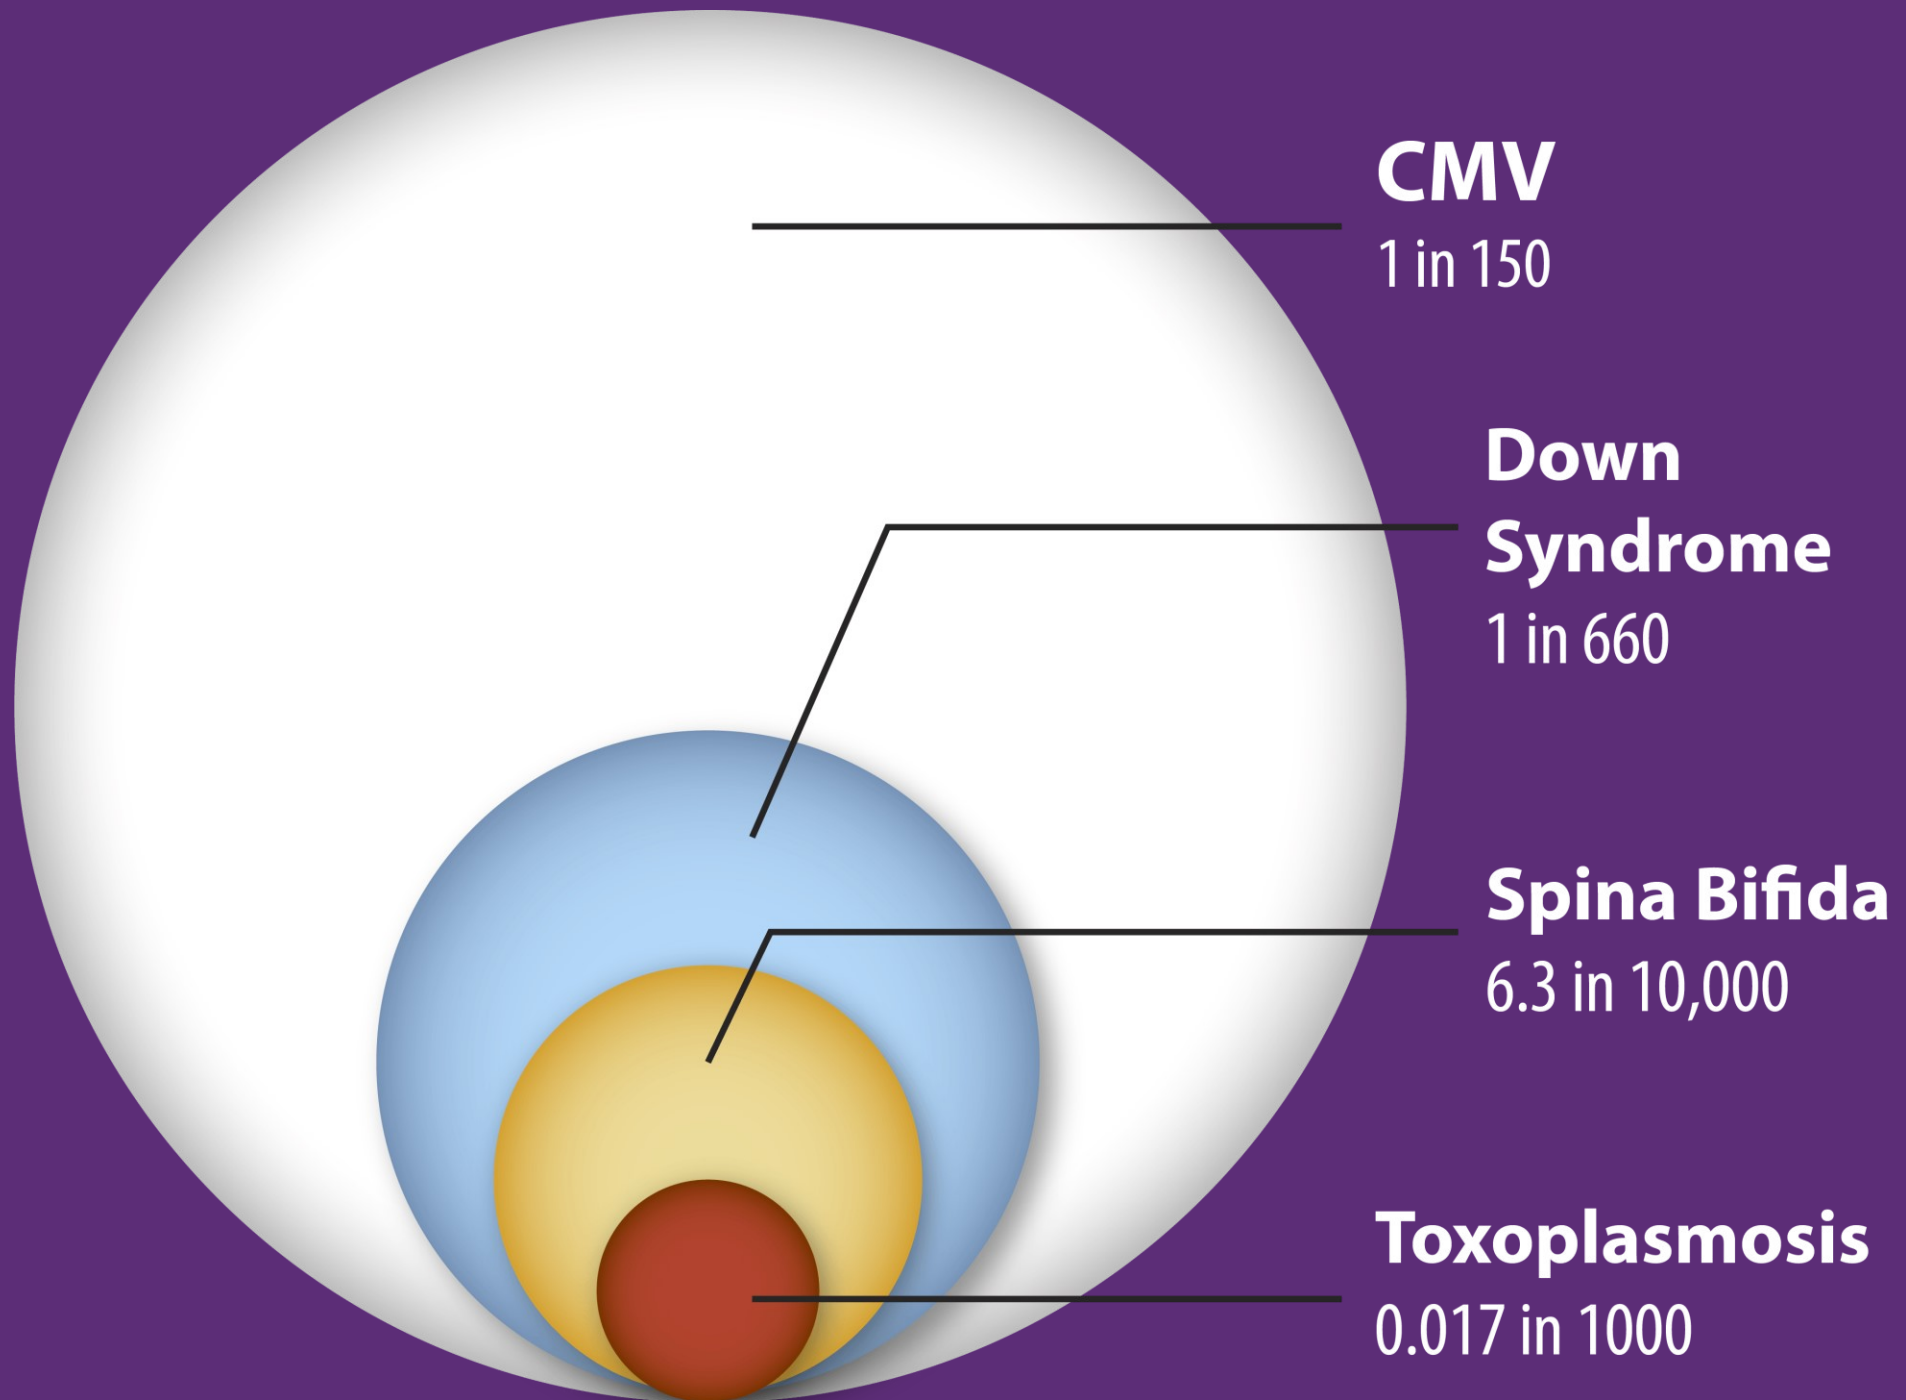

**doesn't stop the force of the blow**

STOP  
CMV

STOP  
CMV

STOP  
CMV

STOP  
CMV

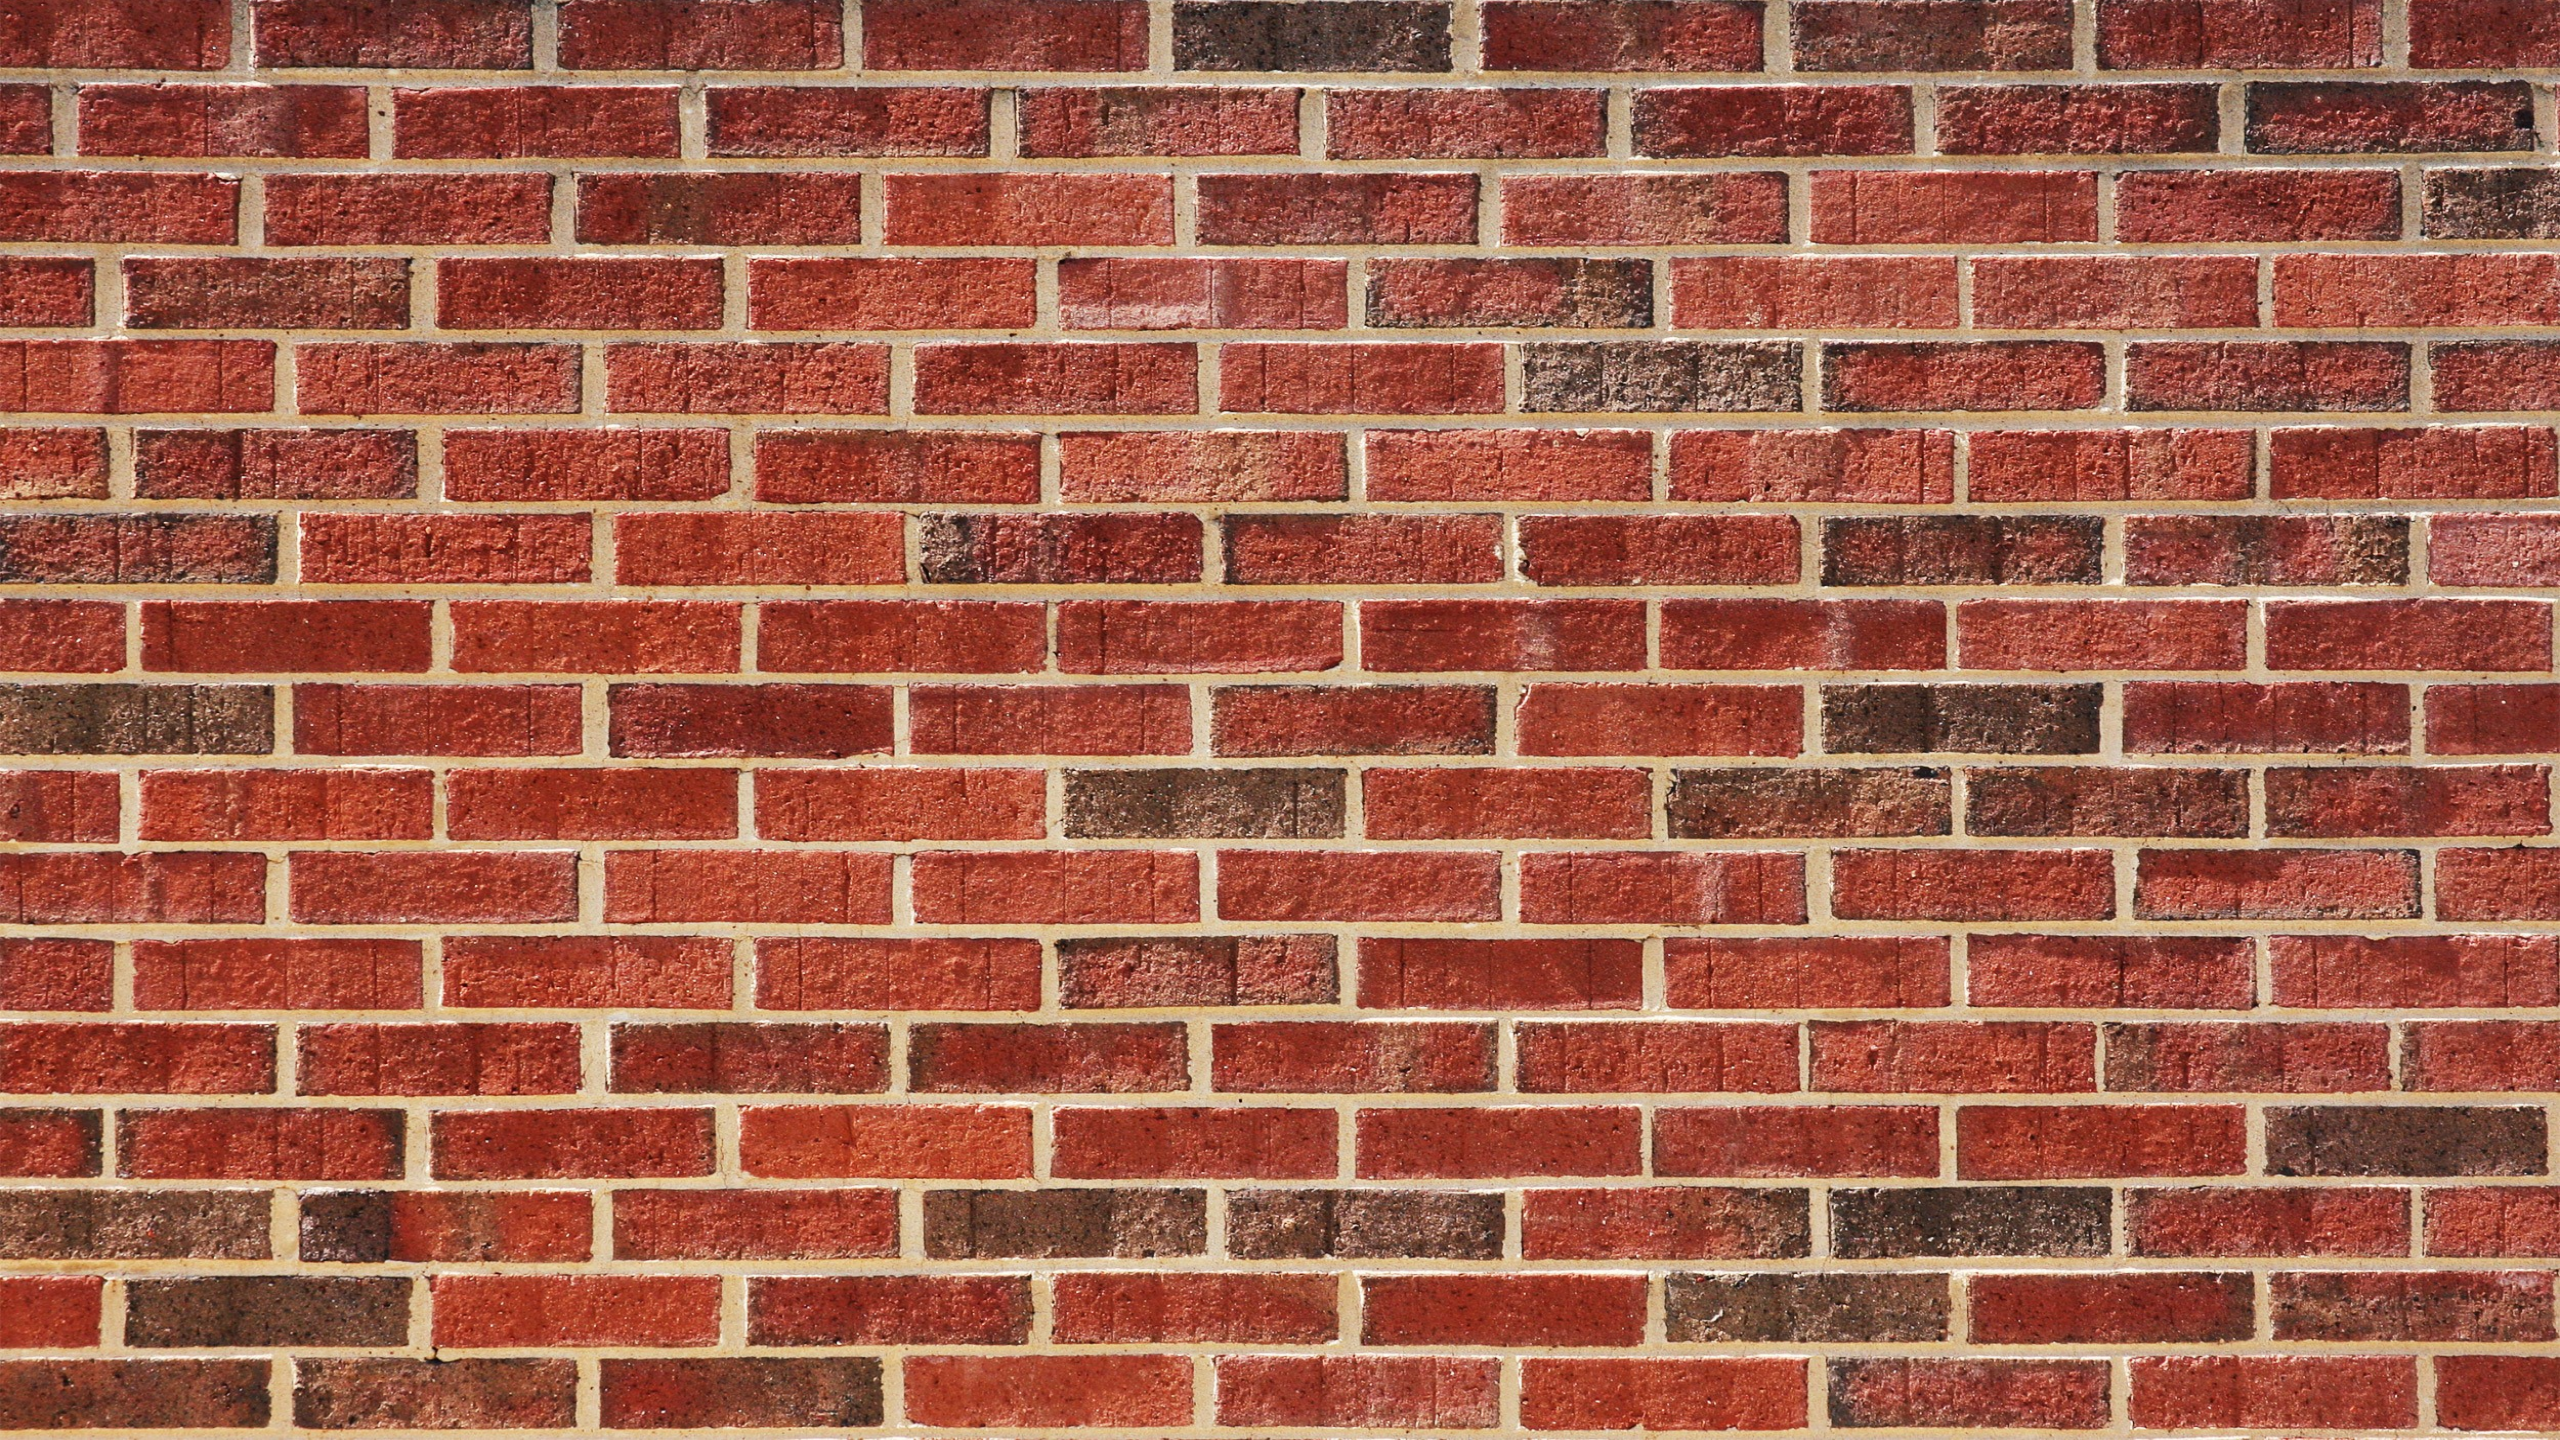

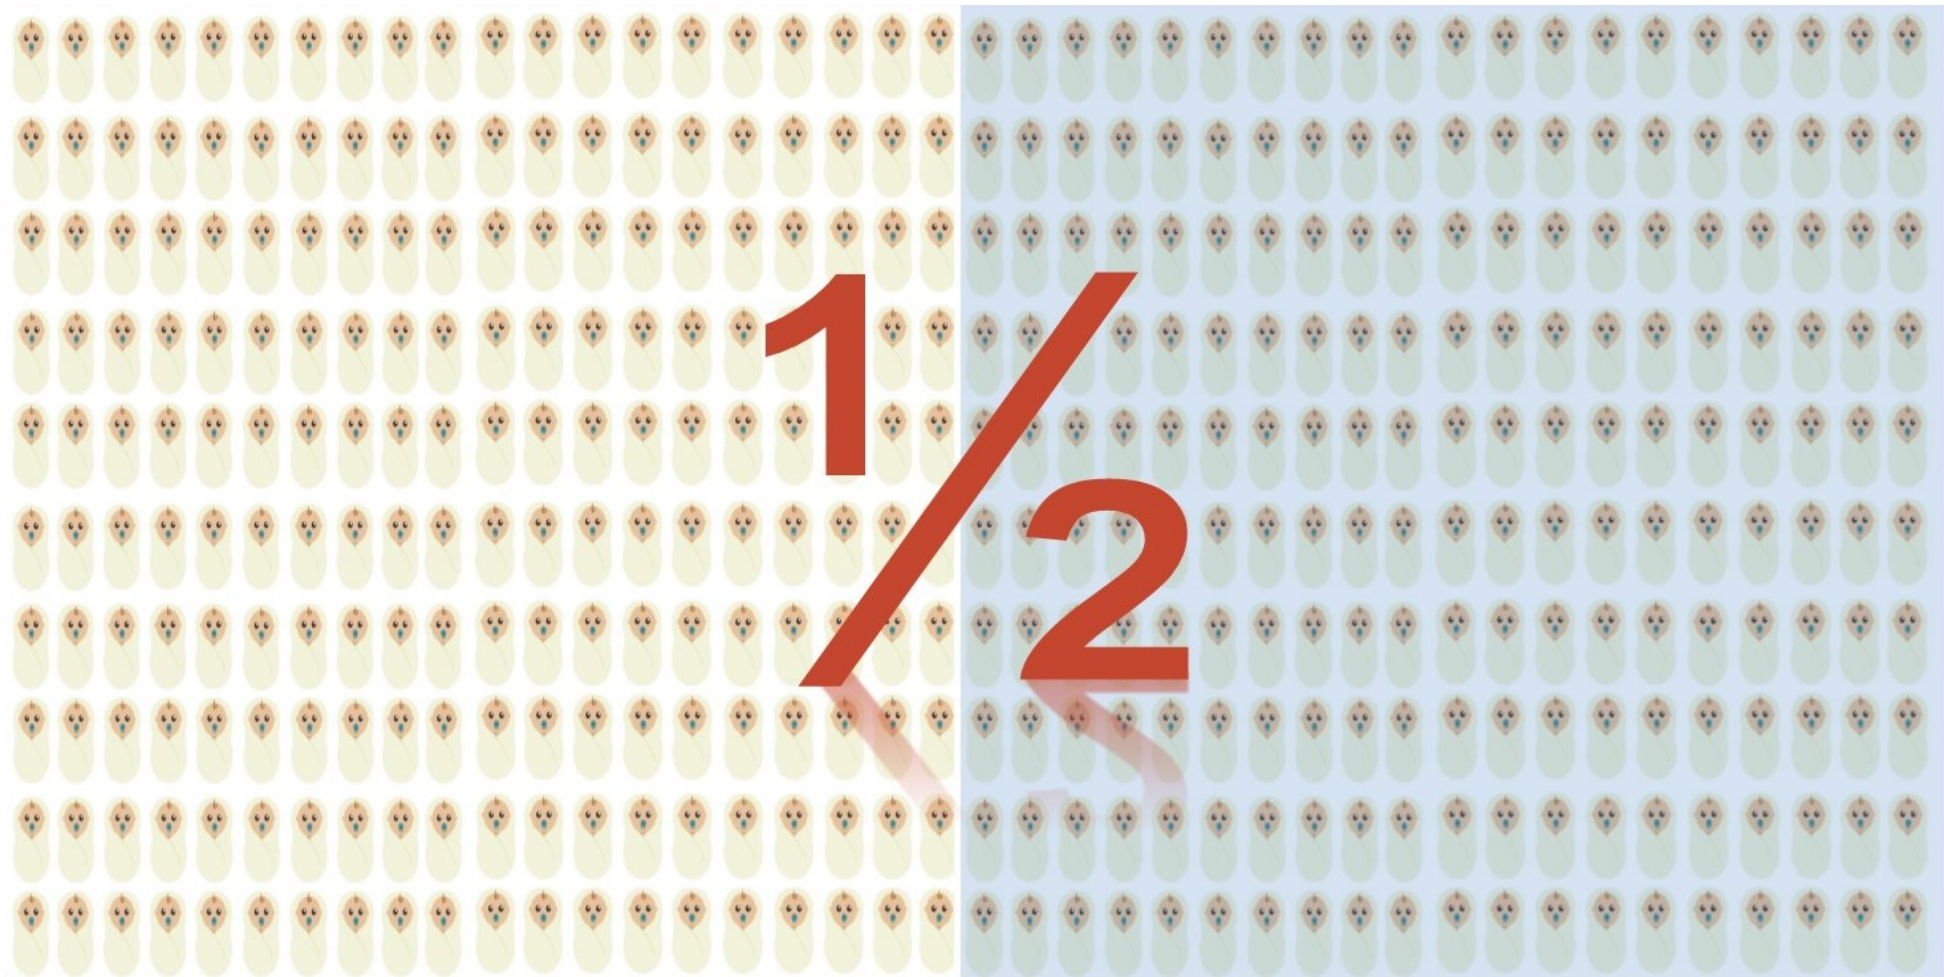

[www.cmv.org.au](http://www.cmv.org.au)

## OUR PURPOSE

To minimise the impact of congenital cytomegalovirus (cCMV) on all people in Australia & New Zealand.

## KEY RESULT AREAS

### EDUCATE

Raise awareness about congenital CMV through both public education and health professional initiatives.

### SUPPORT

Empower people living with congenital CMV.

### COLLABORATE

Strengthen stakeholder and community engagement developing strong collaborative partnerships.

**Support - Awareness - Prevention**

*Together we can Stop CMV!*
