

# CHILD SAFETY CODE OF CONDUCT

## PURPOSE

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

All Yalingbu Yirramboi – The Royal Children’s Hospital School staff, volunteers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

All contractors (including tradespersons) are managed by the Royal Children’s Hospital.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use.

## ACCEPTABLE BEHAVIOURS

As Yalingbu Yirramboi – The Royal Children’s Hospital School, staff, volunteers, and any other member of our school community involved in child-connected work, we are responsible for supporting and promoting the safety of children by:

- upholding our Yalingbu Yirramboi – The Royal Children’s Hospital School commitment to child safety at all times and adhering to our Child Safety and Wellbeing Policy
- treating students, families, and caregivers in our school community with respect in our school environment and outside our school environment as part of normal social and community activities
- listening and responding to the views and concerns of students, particularly if they disclose that they or another child or student has been abused or are worried about their safety or the safety of another child or student
- promoting the cultural safety, participation and empowerment of Aboriginal students, students with culturally and/or linguistically diverse backgrounds, students with a disability, international students, students who are unable to live at home and lesbian, gay, bisexual, transgender and intersex (LGBTIQ+) students

- reporting any allegations of child abuse or other child safety concerns to Principal
- understanding and complying with all reporting and disclosure obligations (including mandatory reporting) in line with our Child Safety Responding and Reporting Policy and Procedures and the [PROTECT Four Critical Actions](#)
