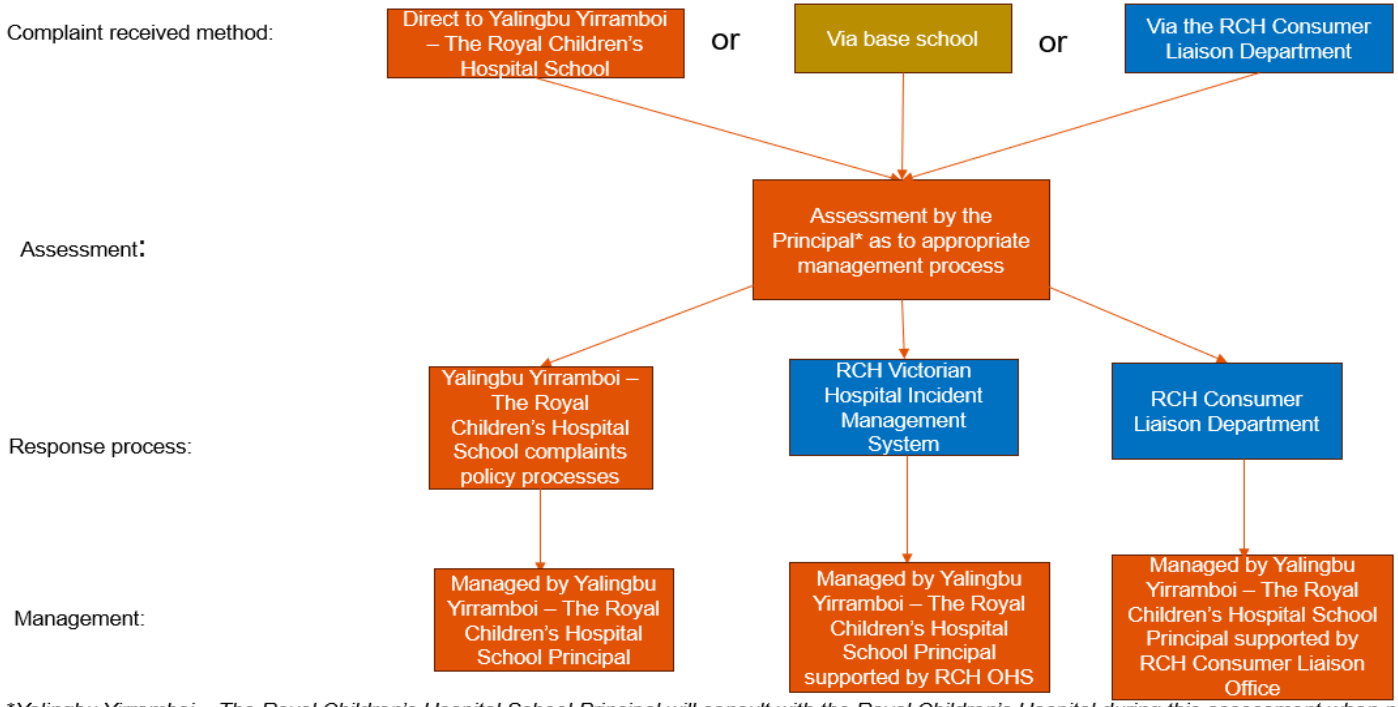
Please see the below table that outlines the different methods that a complaint may be received by the Yalingbu Yirramboi – The Royal Children's Hospital School and the response process it may be referred into.

Making a complaint regarding Yalingbu Yirramboi – The Royal Children's Hospital School



**Yalingbu Yirramboi – The Royal Children's Hospital School Principal will consult with the Royal Children's Hospital during this assessment when necessary*

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

1. Complaint received: Please either email, telephone or arrange a meeting with the Principal, to outline your complaint so that we can fully understand what the issues are. We can discuss your complaint in a way that is convenient for you, whether in writing, in person or over the phone.

   Another avenue for a complaint to be received for Yalingbu Yirramboi – The Royal Children's Hospital School is via the Royal Children's Hospital Feedback process (Feedback : Feedback (rch.org.au)) or via a student's base school.

2. Information gathering: Depending on the issues raised in the complaint, the Principal, or nominee may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.

   An assessment will be undertaken by the Principal in consultation with the Royal Children's Hospital when necessary, as to whether the complaint should be managed via Royal Children's Hospital Consumer Liaison Department or be lodged in the Victorian Hospital Incident Management System (VHIMS), or only managed by the Yalingbu Yirramboi – The Royal Children's Hospital School.

3. Response: Where possible, a resolution meeting will be arranged with the Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not appropriate. In this situation, a response to the complaint will be provided in writing.

4. Timelines: The Yalingbu Yirramboi – The Royal Children's Hospital School will acknowledge receipt of your complaint as soon as possible (usually within two school days) and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Yalingbu Yirramboi – The Royal Children's Hospital School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 5 working days of the complaint being raised. In situations where further time is required, Yalingbu Yirramboi – The Royal Children's Hospital School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, the Yalingbu Yirramboi – The Royal Children's Hospital School may seek to resolve a complaint by:

- An apology or expression of regret
- A change of decision
- A change of policy, procedure or practice
- Offering the opportunity for student counselling or other support
- Other actions consistent with school values that are intended to support the student, their caregivers, and school relationship, engagement, and participation in the school community.

In some circumstances, the Yalingbu Yirramboi – The Royal Children's Hospital School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.
