## Other

## **Red Cross Family Tracing Service**

Collect and forward the detainee's details to <a href="mailto:tracing@redcross.org.au">tracing@redcross.org.au</a> include:

- Name,
- Detention ID number,
- · Location on Christmas Island (i.e. compound),
- Phone extension at the compound
- Whether the person has previously been in contact with Red Cross.

If you are unable to collect this information, advise the person to contact their DIBP case manager and ask that they refer the client to Red Cross for follow up during their next visit.
