

Career Advancement Program 2024

Expression of Interest Form – Graduate Nurse 2023

Please complete and submit this Expression of Interest (EOI) form to formally apply to undertake the 8-month Career Advancement Program in 2024. To support your application, you are also required to obtain one Referee Report (available on the Nursing Education website). The EOI and Referee Report will be scored to assist with prioritising your placement for the program. We encourage you to discuss plans with your Nurse Unit Manager (NUM) prior to making your application.

APPLICANT DETAILS

NAME:	
DEPARTMENT:	
GNP GROUP:	
EMAIL:	
TELEPHONE:	

Please outline your motivation in applying for the Career Advancement Program in 2024 and discuss how participation will support you in your ongoing career here at The Royal Children's Hospital (RCH).

Limit 250 words

--

Please explain how completion of the Career Advancement Program will contribute to patient outcomes at RCH, taking into consideration the RCH vision and role?

Limit 250 words

--

Please identify your top three preferred clinical areas for the 8 month placement as part of the 2024 Career Advancement Program.

Please note that we will aim to place you in one of your top three where possible but cannot guarantee this.

1.

2.

3.

Please identify your least preferred clinical areas for the 8 month placement as part of the 2024 Career Advancement Program.

Please note that we will aim to avoid placing you here where possible.

1.

Optional comments to support preferred or least preferred clinical areas.
