The Royal Children's Hospital
<p>The Royal Children's Hospital's (RCH) vision is A world where all kids thrive.</p> <p>RCH is located within the Melbourne Biomedical Precinct, with more than 45 world-class biomedical organisations and more than 50,000 of the brightest minds working together to make the Precinct number one in the Asia Pacific region for health, education, research, and training. Within this, RCH is also a cornerstone member of the Melbourne Children's Campus, partnering with Murdoch Children's Research Institute, The University of Melbourne Department of Paediatrics and The Royal Children's Hospital Foundation. Each organisation contributes to a paediatric academic health centre which is greater than the sum of its parts.</p> <p>RCH has cared for the children and young people of Victoria for more than 150 years since it was founded in 1870. A full range of paediatric and adolescent health services are provided plus tertiary and quaternary care for the most critically ill and medically complex patients in Victoria. Tasmania, southern NSW and other states around Australia and overseas. The RCH is the only provider of heart transplant services and CAR T-cell therapy for paediatrics in Australia. RCH is an effective advocate for patients and their families with a particular focus on vulnerable children and increasingly, mental health in young people. The hospital also supports many health promotion and prevention programs. The Hospital has more than 6,000 staff, a budget of \$850M, 12 wards and 350 beds. Annually, the RCH has 300,000+ Specialist Clinic appointments, 90,000+ Emergency Department presentations and 20,000 elective surgeries.</p> <p>We work collaboratively with hospitals to deliver the right care, in the right place, at the right time. The RCH is committed to the Child Safe Standards https://www.rch.org.au/quality/child-safety/.</p> <p>RCH enjoys high employee engagement and is committed to staff safety and a positive culture through enactment of our Compact.</p> <p>Further information on RCH is available at www.rch.org.au</p>

ROLE CONTEXT
<p>This role sits within the Psycho-oncology Team in the Children's Cancer Centre within the Division of Medicine. Our team works closely with families, carers, and other health care professionals to ensure the best outcomes for our patients.</p>
ROLE PURPOSE
<p>As a member of a multidisciplinary Psycho-oncology team in the Children's Cancer Centre (CCC), the Senior Mental Health Clinician is responsible for provision of mental health services to children and adolescents under the care of the RCH Children's Cancer Centre and their families. This involves appropriate assessment and management of patients referred from the CCC, as well as attendance at relevant clinical and administrative meetings and liaising with team members and CCC staff as required.</p>
KEY ACCOUNTABILITIES
<p>Provision of Care:</p> <ul style="list-style-type: none"> • Deliver excellent evidence-based practice to children, young people and their families who are patients of the RCH CCC. • Maintain accurate clinical documentation, records and data as per discipline specific guidelines and RCH procedures. • Effectively and competently manage a complex caseload by providing high quality mental health clinical care, including assessment, therapeutic care and management and referral to community-based services where appropriate. • Be a source of clinical expertise, advocacy and guidance within the clinical stream, across the department and within the broader multidisciplinary team. <p>Collaborative practice:</p> <ul style="list-style-type: none"> • Work collaboratively with other disciplines within the team to provide high quality inter-disciplinary care. • Demonstrated experience working with initiative, autonomy and leading others in the pursuit of team goals • Provide excellent secondary consultation to other health, education, and community services/providers to enhance coordinated care. • Provide mental health consultation to hospital staff and liaise with hospital and community agencies as appropriate regarding CCC patients to ensure optimal patient care and management. • Attend relevant clinical and administrative meetings and foster professional relationships with CCC staff and external stakeholders as required. <p>Communication:</p> <ul style="list-style-type: none"> • Well-developed verbal communication and interpersonal skills. • Effectively communicate with a variety of stakeholders, including patients and their families. • Facilitate open and effective communication across all levels of the department and more broadly across the organisation. • Ensure systems are in place for coordinating and performing appropriate clinical handover, and arrange follow-up to ensure patient care is maintained.

Research:

- Undertake and/or support research and evaluation activities (as required for learning innovations for best practice care).
- Assist in the preparation of material for reports, meetings, and presentations as appropriate.
- Support continuous quality improvement activities.

Supervision:

- Participate in clinical supervision in accordance with local standard operating procedures and /or the RCH Allied Health Clinical Supervision Guideline which are based on the DHHS Allied Health Clinical Supervision Framework.
- Actively participate in all forms of supervision (operational, professional, and clinical).
- Undertake clinical supervision of psychology students and other CCC psycho-oncology staff as appropriate for their discipline.
- Participate in academic and education activities including education of CCC staff and external stakeholders, conference presentations etc.

Continuous improvement:

- Achieve and maintain competency in relevant skill areas in line with departmental and discipline requirements.
- Contributes positively to change processes through demonstrating flexibility and openness to change.
- Be aware of and work in accordance with Hospital policies and procedures, including Occupational Health and Safety, Equal Employment Opportunity, and Confidentiality.
- Work within legal and ethical obligations for excellent family focussed care.
- Demonstrate a commitment to culturally safe and sensitive service provision.

QUALIFICATIONS AND EXPERIENCE

Essential:

- Tertiary Qualification in relevant discipline
- Current Registration with AHPRA (where professionally relevant)
- Proven capacity for clinical leadership in a team environment and ability to work well as a senior team member.
