<p><b>The Royal Children's Hospital</b></p> <p>The Royal Children's Hospital's (RCH) vision is <i>"A world where all kids thrive"</i>.</p> <p>RCH is located within the Melbourne Biomedical Precinct, with more than 45 world-class biomedical organisations and more than 50,000 of the brightest minds working together to make the Precinct number one in the Asia Pacific region for health, education, research, and training. Within this, RCH is also a cornerstone member of the Melbourne Children's Campus, partnering with Murdoch Children's Research Institute, The University of Melbourne Department of Paediatrics and The Royal Children's Hospital Foundation. Each organisation contributes to a paediatric academic health centre which is greater than the sum of its parts.</p> <p>RCH has cared for the children and young people of Victoria for more than 150 years since it was founded in 1870. A full range of paediatric and adolescent health services are provided plus tertiary and quaternary care for the most critically ill and medically complex patients in Victoria, Tasmania, southern NSW and other states around Australia and overseas. The RCH is the only provider of heart transplant services and CAR T-cell therapy for paediatrics in Australia. RCH is an effective advocate for patients and their families with a particular focus on vulnerable children and increasingly, mental health in young people. The hospital also supports many health promotion and prevention programs. The Hospital has more than 6,000 staff, a budget of \$850M, 12 wards and 350 beds. Annually, the RCH has 300,000+ Specialist Clinic appointments, 90,000+ Emergency Department presentations and 20,000 elective surgeries.</p> <p>We work collaboratively with hospitals to deliver the right care, in the right place, at the right time. The RCH is committed to the Child Safe Standards <a href="https://www.rch.org.au/quality/child-safety/">https://www.rch.org.au/quality/child-safety/</a>.</p> <p>RCH enjoys high employee engagement and is committed to staff safety and a positive culture through enactment of our Compact.</p> <p>Further information on RCH is available at <a href="http://www.rch.org.au">www.rch.org.au</a></p>

## ROLE CONTEXT

This role is situated in the Cardiac Physiology group within the Cardiology Department of the Royal Children's Hospital that sits in the Division of Surgery in the organisational structure. The primary objective of this position is to provide high quality testing for patients with suspected or known congenital heart disease using various testing modalities within the arrhythmia service. This aligns with the organisation's strategic goals of delivering excellence in healthcare and ensuring that the care delivered is safe and effective

## ROLE PURPOSE

The Paediatric Cardiac Physiologist is expected to primarily perform the diagnostic and clinical duties typical of a Cardiac Physiologist, producing detailed and accurate examinations for a range of paediatric patients with suspected or known congenital heart defects in the arrhythmia field. Depending on experience, this role may extend to other areas of Cardiac Physiology testing.

## KEY ACCOUNTABILITIES

### Provision of Care

- Deliver excellent evidence-based practice in the field of Cardiac Physiology in both the outpatient and inpatient clinical settings. This includes the provision of the following services, but is not limited to:
  - Perform resting ECGs on inpatients and outpatients. Alert clinical staff to adverse clinical findings
  - Fit/remove/analyse holter monitors. Alert clinical staff to adverse clinical findings
  - Prepare patients and assist the Cardiology Fellows with supervised exercise stress testing
  - Dependent on level of experience, interrogation and testing of implantable cardiac devices including simple and complex pacemakers, defibrillators and loop recorders
  - Dependent on level of experience, haemodynamic monitoring/recording and meticulous record keeping in the cardiac catheter laboratory
  - Ensure all equipment is maintained and cleaned to the highest possible standards in accordance with departmental policies and procedures and to alert management of any equipment faults
- Ensure timely provision of clinical services through appropriate prioritisation of own caseload and patient needs
- Be familiar with treatment protocols relevant to the individual Department and other designated units within RCH
- Maintain clinical documentation, records and data as per discipline specific guidelines and RCH procedures
- Provide clinical handover to required standard
- Actively contribute to continuous improvement

### Lifelong Learning

- Participate in professional development activities to ensure that best clinical practice is maintained

- Identify personal and professional development needs, and plan and implement strategies for achieving them
- Achieve and maintain competency in relevant skills in line with departmental requirements relevant to the role

#### **Collaborative practice**

- Provide child centred, family focused care through partnership with parents/ families
- Work in collaboration with multidisciplinary teams
- Cooperate and work well with others in the pursuit of team goals
- Actively participate as part of a team to ensure ongoing excellence in service delivery and contribute to continuous improvement

#### **Communication**

- Apply well-developed verbal communication and interpersonal skills and attention to detail with the ability to interact with a variety of stakeholders
- Communicate effectively with patients and families to ensure their understanding and that their needs and views are included in plans and actions
- Recognise issues that may lead to conflict, and constructively address issues as they arise with escalation to senior clinicians as appropriate

#### **Continuous Improvement**

- With support, identify concerns about systems or processes and raise these with supervisor or manager

#### **Supervision, Leadership and People Management**

- Participate in clinical supervision in accordance with local standard operating procedures and/or the RCH Allied Health Clinical Supervision Guideline which are based on the DHHS Allied Health Clinical Supervision Framework

#### **Organisation and Planning**

- Apply developed organisational skills

#### **Research**

- Understand the principles of evidence-based practice
- Evaluate current practice with respect to the evidence
- Find, critically review, evaluate & interpret literature and apply to current role/service
- Support a research culture and agenda as appropriate
- Share evidence appropriately (e.g., presents at journal club, special interest groups)

### **QUALIFICATIONS AND EXPERIENCE**

**Essential:**

- Tertiary qualification, namely a Bachelor of Science degree (or equivalent), or the Mayfield certificate IV (or equivalent) in Cardiology
- Post qualifying clinical experience with demonstrated experience in the performance of resting ECGs, fitting and analysis of holter monitor tracings, exercise stress testing
- Demonstrated experience in working with Windows based applications including Microsoft Word, Excel and Access.
- Demonstrated commitment to work and contribute as part of a team

**Desirable:**

- An understanding of the healthcare sector
- Experience working in health or related field

**KEY SELECTION CRITERIA**

- Excellent professional, interprofessional, interaction and self-reflection skills to enable effective work with people of different personalities and backgrounds
- The ability to engage children of different ages and abilities
- Ability to advocate for patients and their families
- An ability to balance sometimes competing and conflicting priorities
- An ability to consult with a range of community and acute health professionals and resources regarding the ongoing healthcare needs of patients as appropriate
- Excellent computer literacy skills

**OTHER REQUIREMENTS**

- Employees are required to undertake a National Criminal Record Check and a Working with Children Check prior to commencing employment
- Employees are required to maintain a valid Working with Children Check throughout their employment
- Employees are required to maintain compliance with RCHs "Staff Immunisation - Prevention of Vaccine Preventable Diseases" procedure

**IMPORTANT INFORMATION**

All employees are required to adhere to the Royal Children's Hospital Values:

- Curious - We are creative, playful and collaborative

- Courageous - We pursue our goals with determination, ambition and confidence
- Inclusive - We embrace diversity, communicate well, build connections and celebrate our successes together
- Kind - We are generous, warm and understanding

#### **RCH COMPACT**

All new and existing employees commit to the RCH Compact to contribute to a strong and respectful culture.

- We do better work caring for children and families when we also care for each other
- I bring a positive attitude to work – I share, I laugh, I enjoy other's company
- I take responsibility for my behaviour and its impact on others
- I am curious and seek out ways to constantly learn and improve
- I celebrate the good stuff, the small stuff, the big stuff – it all matters
- I speak up when things aren't right
- I value the many different roles it takes to deliver great patient care
- I actively listen because I want to understand others and make better decisions
- I am inclusive and value diversity
- When it comes to teamwork, I don't hold back – I'm all in

#### **QUALITY, SAFETY AND IMPROVEMENT**

RCH employees have a responsibility and accountability to contribute to the organisation's commitment to Quality, Safety and Improvement by:

- Acting in accordance and complying with all relevant Safety and Quality policies and procedures
- Identifying risks, reporting and being actively involved in risk mitigation strategies
- Participating in and actively contributing to quality improvement programs
- Complying with the requirements of the National Safety & Quality Health Service Standards
- Complying with all relevant clinical and/or competency standards
- Complying with the principles of Patient and Family Centred Care that relate to this position

**The RCH is committed to a diverse and inclusive workforce. We encourage applications from Aboriginal and Torres Strait Islander people, people from culturally and/or linguistically diverse backgrounds, all members of the LGBTQI community and people with disability.**
