<b>The Royal Children's Hospital</b>
<p>The Royal Children's Hospital's (RCH) vision is A world where all kids thrive.</p> <p>RCH is located within the Melbourne Biomedical Precinct, with more than 45 world-class biomedical organisations and more than 50,000 of the brightest minds working together to make the Precinct number one in the Asia Pacific region for health, education, research, and training. Within this, RCH is also a cornerstone member of the Melbourne Children's Campus, partnering with Murdoch Children's Research Institute, The University of Melbourne Department of Paediatrics and The Royal Children's Hospital Foundation. Each organisation contributes to a paediatric academic health centre which is greater than the sum of its parts.</p> <p>RCH has cared for the children and young people of Victoria for more than 150 years since it was founded in 1870. A full range of paediatric and adolescent health services are provided plus tertiary and quaternary care for the most critically ill and medically complex patients in Victoria, Tasmania, southern NSW and other states around Australia and overseas. The RCH is the only provider of heart transplant services and CAR T-cell therapy for paediatrics in Australia. RCH is an effective advocate for patients and their families with a particular focus on vulnerable children and increasingly, mental health in young people. The hospital also supports many health promotion and prevention programs. The Hospital has more than 6,000 staff, a budget of \$850M, 12 wards and 350 beds. Annually, the RCH has 300,000+ Specialist Clinic appointments, 90,000+ Emergency Department presentations and 20,000 elective surgeries.</p> <p>We work collaboratively with hospitals to deliver the right care, in the right place, at the right time. The RCH is committed to the Child Safe Standards <a href="https://www.rch.org.au/quality/child-safety/">https://www.rch.org.au/quality/child-safety/</a>.</p> <p>RCH enjoys high employee engagement and is committed to staff safety and a positive culture through enactment of our Compact.</p> <p>Further information on RCH is available at <a href="http://www.rch.org.au">www.rch.org.au</a></p>

## ROLE PURPOSE

The Paediatric Emergency Physician will join the existing team of emergency department senior medical staff to provide leadership in all aspects of paediatric emergency medicine. Several fixed term positions available to provide clinical backfill for periods ranging 9-12 months. Limited capacity for contract extension to be negotiated.

## KEY ACCOUNTABILITIES

- Participate in the clinical roster to directly provide and supervise the delivery of excellent emergency care.
- Perform the role in a manner required to achieve departmental quality metrics to ensure access to emergency care and efficient patient flow, contributing to a high performing and sustainable emergency department.
- Engage with other clinical stakeholders in the hospital to support the above accountabilities being met.
- Take on a non-clinical portfolio commensurate with the fraction appointed and lead the emergency department's performance in that area with the support of the Director.
- You will build relationships and mutual respect and trust amongst all members of the multidisciplinary emergency department team, and more broadly throughout the hospital.
- Establish and improve clinical links between the emergency department and other key stakeholders including other emergency departments, general practitioners, local paediatricians and inpatient services.
- Participate in educational training program in paediatric emergency medicine.
- Participate in research in paediatric emergency medicine

## QUALIFICATIONS AND EXPERIENCE

### Essential:

- Completion of specialist training in paediatric emergency medicine under the Australasian College of Emergency Medicine or Royal Australasian College of Physicians, or comparable international qualification recognised by either of these colleges.
- Current registration as a Specialist Medical Practitioner with AHPRA.

## KEY SELECTION CRITERIA

- Clinical expertise in all aspects of paediatric emergency medicine.
- Confidence in leading a clinical team.
- Excellent communication skills and ability to adapt communication to the needs of individuals and circumstances.
- A capacity to provide and receive feedback in pursuit of continuous personal and team improvement.

## OTHER REQUIREMENTS

- Employees are required to undertake a National Criminal Record Check and a Working with Children Check prior to commencing employment
- Employees are required to maintain a valid Working with Children Check throughout their employment
- A current, full driver's licence for the State of Victoria which is appropriate for the type of vehicle being driven, and comply with any restrictions on their licence (e.g. wearing glasses) while undertaking hospital duties (If applicable)

- Employees are required to maintain compliance with RCHs "Staff Immunisation - Prevention of Vaccine Preventable Diseases" procedure.

## IMPORTANT INFORMATION

All employees are required to adhere to the Royal Children's Hospital Values:

- Curious - We are creative, playful and collaborative
- Courageous - We pursue our goals with determination, ambition and confidence
- Inclusive - We embrace diversity, communicate well, build connections and celebrate our successes together
- Kind - We are generous, warm and understanding

### RCH COMPACT

All new and existing employees commit to the RCH Compact to contribute to a strong and respectful culture.

- We do better work caring for children and families when we also care for each other
- I bring a positive attitude to work – I share, I laugh, I enjoy other's company
- I take responsibility for my behaviour and its impact on others
- I am curious and seek out ways to constantly learn and improve
- I celebrate the good stuff, the small stuff, the big stuff – it all matters
- I speak up when things aren't right
- I value the many different roles it takes to deliver great patient care
- I actively listen because I want to understand others and make better decisions
- I am inclusive and value diversity
- When it comes to teamwork, I don't hold back – I'm all in

### QUALITY, SAFETY AND IMPROVEMENT

RCH employees have a responsibility and accountability to contribute to the organisation's commitment to Quality, Safety and Improvement by:

- Acting in accordance and complying with all relevant Safety and Quality policies and procedures
- Identifying risks, reporting and being actively involved in risk mitigation strategies
- Participating in and actively contributing to quality improvement programs
- Complying with the requirements of the National Safety & Quality Health Service Standards
- Complying with all relevant clinical and/or competency standards
- Complying with the principles of Patient and Family Centred Care that relate to this position

**The RCH is committed to a diverse and inclusive workforce. We encourage applications from Aboriginal and Torres Strait Islander people, people from culturally and/or linguistically diverse backgrounds, all members of the LGBTQI community and people with disability.**
