<b>The Royal Children's Hospital</b>
<p>The Royal Children's Hospital's (RCH) vision is A world where all kids thrive.</p> <p>RCH is located within the Melbourne Biomedical Precinct, with more than 45 world-class biomedical organisations and more than 50,000 of the brightest minds working together to make the Precinct number one in the Asia Pacific region for health, education, research, and training. Within this, RCH is also a cornerstone member of the Melbourne Children's Campus, partnering with Murdoch Children's Research Institute, The University of Melbourne Department of Paediatrics and The Royal Children's Hospital Foundation. Each organisation contributes to a paediatric academic health centre which is greater than the sum of its parts.</p> <p>RCH has cared for the children and young people of Victoria for more than 150 years since it was founded in 1870. A full range of paediatric and adolescent health services are provided plus tertiary and quaternary care for the most critically ill and medically complex patients in Victoria. Tasmania, southern NSW and other states around Australia and overseas. The RCH is the only provider of heart transplant services and CAR T-cell therapy for paediatrics in Australia. RCH is an effective advocate for patients and their families with a particular focus on vulnerable children and increasingly, mental health in young people. The hospital also supports many health promotion and prevention programs. The Hospital has more than 6,000 staff, a budget of \$850M, 12 wards and 350 beds. Annually, the RCH has 300,000+ Specialist Clinic appointments, 90,000+ Emergency Department presentations and 20,000 elective surgeries.</p> <p>We work collaboratively with hospitals to deliver the right care, in the right place, at the right time. The RCH is committed to the Child Safe Standards <a href="https://www.rch.org.au/quality/child-safety/">https://www.rch.org.au/quality/child-safety/</a>.</p> <p>RCH enjoys high employee engagement and is committed to staff safety and a positive culture through enactment of our Compact.</p> <p>Further information on RCH is available at <a href="http://www.rch.org.au">www.rch.org.au</a></p>

<b>ROLE CONTEXT</b>
<p>The Royal Commission into Victoria's Mental Health System's final report was released in March 2021, this sets out a blueprint for a future mental health and wellbeing system in Victoria to be achieved through a series of structural,</p>

cultural and clinical reforms to be implemented over ten years. As an integral part of this commitment, the Royal Children's Hospital Mental Health Graduate Nurse Program (MHGPN) offers a world class learning environments to support growth and expertise in the sector.

The Mental Health Graduate Nurse Program establishes a supported and structured pathway into Mental Health Nursing. Within this role, graduates will be engaged in theoretical and practical learning, alongside a multi-disciplinary team of specialist mental health clinicians.

## ROLE PURPOSE

A RCH Mental Health Graduate Registered Nurse is responsible for ensuring that clinical practice and delivery of care is consistent with RCH and Nursing and Midwifery Board of Australia standards. You will be responsible for providing comprehensive, safe, evidence-based practice across a range of contexts, to facilitate optimal health outcomes; performing self-assessment of scope of practice and competence related to assigned responsibilities as discussed with the care delivery team; retaining responsibility for individual actions and accountability for care provided.

The Graduate Mental Health Nurse Program is part of a learning culture within the Banksia ward, and as such you will be required to attend and actively participate in all education, training, and clinical supervision opportunities.
