The Royal Children's Hospital
<p>The Royal Children's Hospital's (RCH) vision is A world where all kids thrive.</p> <p>RCH is located within the Melbourne Biomedical Precinct, with more than 45 world-class biomedical organisations and more than 50,000 of the brightest minds working together to make the Precinct number one in the Asia Pacific region for health, education, research, and training. Within this, RCH is also a cornerstone member of the Melbourne Children's Campus, partnering with Murdoch Children's Research Institute, The University of Melbourne Department of Paediatrics and The Royal Children's Hospital Foundation. Each organisation contributes to a paediatric academic health centre which is greater than the sum of its parts.</p> <p>RCH has cared for the children and young people of Victoria for more than 150 years since it was founded in 1870. A full range of paediatric and adolescent health services are provided plus tertiary and quaternary care for the most critically ill and medically complex patients in Victoria. Tasmania, southern NSW and other states around Australia and overseas. The RCH is the only provider of heart transplant services and CAR T-cell therapy for paediatrics in Australia. RCH is an effective advocate for patients and their families with a particular focus on vulnerable children and increasingly, mental health in young people. The hospital also supports many health promotion and prevention programs. The Hospital has more than 6,000 staff, a budget of \$850M, 12 wards and 350 beds. Annually, the RCH has 300,000+ Specialist Clinic appointments, 90,000+ Emergency Department presentations and 20,000 elective surgeries.</p> <p>We work collaboratively with hospitals to deliver the right care, in the right place, at the right time. The RCH is committed to the Child Safe Standards https://www.rch.org.au/quality/child-safety/.</p> <p>RCH enjoys high employee engagement and is committed to staff safety and a positive culture through enactment of our Compact.</p> <p>Further information on RCH is available at www.rch.org.au</p>

ROLE CONTEXT

The Gatehouse Sexual Assault Service at the RCH provides therapeutic interventions and support for children/young people and their families, who have experienced sexual harm or engaged in harmful or problematic sexual behaviours. Gatehouse is committed to the following pillars of practice:

- Diversity and inclusion
- Trauma model of recovery
- Collaborative and integrated service delivery with children, their families and partner agencies
- Child-centred family-focussed ecological model
- Child Rights and justice.

Gatehouse is a Member of Sexual Assault Services Victoria (SASVic) and employs a multidisciplinary team of clinicians with specialist skills and qualifications in working with children who have experienced sexual assault and engaged in harmful sexual behaviour and their families.

Gatehouse sits within the Ambulatory Services Directorate at the RCH.

ROLE PURPOSE

The Senior Clinician – Harmful Sexual Behaviour, provides advanced practice and clinical supervision, within a trauma model of recovery for children and young people who have engaged in harmful sexual behaviour and their non-offending family members. This role also supports intake by receiving and responding to more complex referrals for services, inquiries regarding child sexual abuse, harmful sexual behaviour and crisis care presentations. The Senior Clinician – Harmful Sexual Behaviour will work at all Gatehouse sites including the RCH, Parkville, and both community-based sites in Melton and Werribee and will support the Team Coordinator in daily operational service provision and continuous quality improvement.

KEY ACCOUNTABILITIES

Provision of care

- Provide advanced-practice risk assessment, support and therapeutic interventions for children/young people who have engaged in harmful sexual behaviour and their families.
- Use a trauma focused model of recovery to promote child rights and justice, facilitate access, and support safety, wellbeing, and connection.
- Incorporate the diverse needs of all children, young people and their families, including those from Aboriginal and Torres Strait Islander, culturally and linguistically diverse and LGBTQI+ populations.
- Participate in the Gatehouse intake roster where required to receive, process, assess and make decisions autonomously about complex referrals for service and the provision of sexual assault crisis response services.
- Participate in the Gatehouse crisis response after hours roster.
- Adhere to established clinical care ratios specified by the service and achieve Key Performance Indicators (KPIs), to meet allocation and appointment targets.
- Maintain clinical documentation, records and data as per discipline specific guidelines and RCH procedures and contribute to data collection requirements.

Supervision, leadership and people management

- Provide specialist sexual harm clinical supervision, mentoring and informal support to support the professional development and wellbeing of other clinicians.

- Provide professional and operational/administrative support to the Team Coordinator as required to support the day-to-day functioning of the service.
- Lead the clinical governance of targeted therapeutic modalities including credentialing audits, identifying necessary skills and processes, providing input to clinical review panels and developing and implementing plans to sustain the modality.
- Participate in clinical supervision in accordance with local standard operating procedures and/or the RCH Allied Health Clinical Supervision Guideline which are based on the Victorian DoH Allied Health Clinical Supervision Framework.

Lifelong learning

- Comply with discipline requirements to participate in continuing professional development and ensure appropriate credentialing.
- Participate in relevant continuous professional development activities to ensure maintenance and currency of practice skills and approaches.

Collaborative practice

- Provide professional recommendations and secondary consultation for complex referrals to agencies including Child Protection, education, mental health, courts and other community services to enhance coordinated care and build capacity in these services.
- Build and maintain relationships with key internal and external stakeholders to maximise service coordination and cooperation.

Communication

- Demonstrate and model a high standard of professional and interpersonal communication skills, attitudes and behaviours to interact with a variety of stakeholders.
- Foster a culture of open and effective communication in which feedback is used positively to enhance self-awareness, goal setting and learning.
- Recognise and constructively address issues that may lead to conflict.
- Communicate effectively with children, young people and their families to ensure their understanding of the Gatehouse's policies and procedures and to ensure their needs and views are included in care planning and actions.

Continuous improvement

- Lead the ongoing development, review and maintenance of clinical processes, procedures and communication mechanisms.
- Lead and contribute to departmental planning, continuous quality improvement projects and evaluation of services to uphold Gatehouse's commitment to ensuring safe, innovative, evidence-based effective and efficient service delivery in line with Strategic Plan.
- Manage local risks and escalates appropriately to supervisor and/or relevant stakeholder.
- Support and empower team to identify, assess, report and manage risks.

Organisation and planning

- Prioritise workload and competing demands effectively.

Research

- Evaluate current practice with respect to the evidence.
- Find, critically review, share, evaluate and interpret literature and apply to current role/service.
- Work with team/department to identify research gaps and takes opportunities to engage academic partners.

IMPORTANT INFORMATION

All employees are required to adhere to the Royal Children's Hospital Values:

- Curious - We are creative, playful and collaborative.
- Courageous - We pursue our goals with determination, ambition and confidence.
- Inclusive - We embrace diversity, communicate well, build connections and celebrate our successes together.
- Kind - We are generous, warm and understanding.

RCH COMPACT

All new and existing employees commit to the RCH Compact to contribute to a strong and respectful culture.

- We do better work caring for children and families when we also care for each other.
- I bring a positive attitude to work – I share, I laugh, I enjoy other's company.
- I take responsibility for my behaviour and its impact on others.
- I am curious and seek out ways to constantly learn and improve.
- I celebrate the good stuff, the small stuff, the big stuff – it all matters.
- I speak up when things aren't right.
- I value the many different roles it takes to deliver great patient care.
- I actively listen because I want to understand others and make better decisions.
- I am inclusive and value diversity.
- When it comes to teamwork, I don't hold back – I'm all in.

QUALITY, SAFETY AND IMPROVEMENT

RCH employees have a responsibility and accountability to contribute to the organisation's commitment to Quality, Safety and Improvement by:

- Acting in accordance and complying with all relevant Safety and Quality policies and procedures
- Identifying risks, reporting and being actively involved in risk mitigation strategies.
- Participating in and actively contributing to quality improvement programs
- Complying with the requirements of the National Safety & Quality Health Service Standards
- Complying with all relevant clinical and/or competency standards
- Complying with the principles of Patient and Family Centred Care that relate to this position.

The RCH is committed to a diverse and inclusive workforce. We encourage applications from Aboriginal and Torres Strait Islander people, people from culturally and/or linguistically diverse backgrounds, all members of the LGBTIQI community and people with disability.
