

Attending your telehealth video call

Outside callers (patients, guardians, local healthcare providers)

- Go to www.rch.org.au/telehealth
- Select the **Start Video Call** button
- Click **Start video call** button
Ensure you allow the website to access your camera
- Follow the **prompts** on the screen
- Click the **Continue** button
- You will enter the **Waiting Area queue**, an RCH clinician will answer your call shortly
