

THE MEDICAL EVALUATION OF SUSPECTED CHILD ABUSE

Wednesday 24th, Thursday 25th & Friday 26th of July 2024

The VFPMS Medical Evaluation of Suspected Child Abuse Seminar is likely to be of particular interest to paediatricians and trainees in paediatric medicine.

The course aims to increase knowledge and understanding about child abuse and neglect including:

- Paediatrician's and other professionals' roles in protecting children
- Legal obligations regarding reporting to authorities and providing medical opinion evidence
- Forensic medical evaluation of common childhood injuries – bruises and other skin injuries, burns and scalds, fractures, internal injuries including suspected head injury
- Child sexual abuse and the evaluation of children's sexualised behaviour
- Strategies for assessment of child neglect and emotional maltreatment
- Neurodevelopmental and health consequences of child maltreatment
